Why Attend

Course Introduction

This Contracts Management Specialist training course is designed to help contracts professionals manage the growing complexity of international commercial and business relationships.

As global trade becomes increasingly intricate, it is essential for all business professionals to understand the requirements and obligations outlined in a contract, as well as the potential consequences of any failures by either party.

The training course aims to provide participants with the knowledge needed to navigate these challenges effectively.

This training course will feature:

- The Differences in Approach Between Different Legal and Contracting Systems
- Risk Allocation in Contract Management and Dispute Resolution in Contractual Disputes
- Contracting in an International Context
- Protecting Your Company's Interests
- An Understanding of Contracting in the English Language

Course Methodology

This training course will utilise a variety of proven adult learning techniques to ensure maximum understanding, comprehension and retention of the information presented.

This includes high levels of participant discussion, group interaction, delegate group exercises and case studies.

Materials include existing contemporary English language contracts in many jurisdictions.

Delegates will be encouraged to raise their own issues and problems faced within their industry or organisations for discussion on a confidential basis.
