Why Attend

Why Choose Certificate in Collaborative Leadership Training Course?

This Collaborative Leadership and Collective Wisdom training course is targeted at those eager to meet the challenges of leadership in the 21st century. It offers compelling content to build dynamic, impactive, practice that has a focus on nurturing people and organisational growth through inspirational behaviours, influential dialogue and innovative "Imagineering". Such an approach has been proven to be highly productive, harnessing the full passion, commitment and potential of people.

Creating such aspirational and visionary frameworks demand the leader's role to be the strategic architect, catalyst and coach who creates the future.

It requires organisational rejuvenation where existing assumptions and practices are challenged enabling new forms of business and organisational models to emerge.

This approach by employing trusted influence engenders a spirit of engagement that affords meaningful value for employees, customers and the wider needs of society.

In so doing this Collaborative Leadership and Collective Wisdom training course addresses current criticism and cynicism directed at leadership, that it is out of touch with those who are to be led.

Collaborative leadership offers credible and imaginative tools to build and support an effective productive work force, fit to face the challenges of the 21st century.

No one leader can answer to the issues we face in these turbulent times however good leaders harness the available collective wisdom to respond with confidence.

This Certificate in Collaborative Leadership training course will feature:

- Empowering self to lead and empower others
- The importance of the "people influence" factor to build reciprocal trust
- An appreciation of the cross generational issues in organisational structures
- Leading change and Imagineering future business models
- Psychometric exercises to evaluate competence and set future goals

Course content

Why Attend

• Creative tools to design and innovate business responses for tomorrow's enterprise
