Course content

Why Attend

Organizational Development (OD) is a new trend, it enhances the role of HR to become a true strategic partner in the business. This course will help you learn all about OD from definition to applications. It will also equip you with the knowledge and skills you need to translate OD strategies into actions. Furthermore, this course examines the primary role of human resources development (HRD) in the organization to help people and organizations effectively manage change.

This course uses a combination of theory and practical application of course concepts. Participants will engage in simulation exercises combined with round table discussions of real life situations allowing them to gain a strong grip on the knowledge and skills presented in this course.

By the end of the course, participants will be able to:

• Understand the field of Organizational Development (OD)

• Assess the organization readiness for development

• Present OD related data analytics

• Draft an OD strategy

• Implement change management processes

The course can be attended by HR professionals, OD practitioners, HR consultants & trainers and anyone who is interested in the field of OD.

• Strategic thinking

• Strategic planning

• Analytical thinking

• Working with people

• Planning and organizing

• Achieving goals and objectives
