Why Attend

Why Attend HR auditing helps organizations improve compliance, strengthen HR processes, reduce risk, and enhance workforce effectiveness. A well-executed HR audit provides valuable insights into policies, systems, employee practices, and operational performance. This course equips participants with practical tools to assess HR functions, review documentation, evaluate HR technology, and deliver recommendations that support continuous improvement.

Course Methodology This course uses an interactive and practical approach through presentations, case studies, audit workshops, group discussions, practical exercises, templates, and real workplace examples.

Course Objectives

- Understand the purpose and value of HR auditing
- Apply different types of HR audits effectively
- Review compliance, records, and HR documentation
- Audit core HR functions using structured methods
- Evaluate HR systems and technology controls
- Prepare professional audit reports and recommendations
- Strengthen corrective action follow-up processes
- Support continuous improvement in HR operations

Target Audience

- HR Professionals
- HR Managers
- Internal Auditors
- Compliance Officers
- HR Operations Staff

Course content
