Why Attend

Course Introduction

Welcome to this dynamic training course in Strategies, Risks, Negotiation, and Leadership! Embracing insights from leaders like Mark Zuckerberg, who emphasizes the importance of taking risks in a rapidly changing world, and Tom Peters, who advocates for quick testing and adaptation, this course is designed to stretch your mindset and enhance your leadership skills. Through engaging and practical sessions, you will learn to navigate uncertainties, implement cutting-edge strategies, and drive performance in a turbulent business environment. Equip yourself with the tools needed to thrive as an exceptional leader and make impactful decisions in today's fast-paced world.

Course Objectives

By attending this challenging training course, you will know:

- How to Develop an Appreciation and Understanding of Strategies, Risks, Negotiation and Leadership Skills
- How to Master and Apply Effective Negotiation Skills
- How to Engage in Powerful Interpersonal Win-Win Relationship Skills
- How to Build a Strong and Highly Motivated Team
- How to Self-Coach Yourself, with Positive Confidence Skills

Who should Attend?

This training course will give each attendee the understanding and skills to approach strategic and everyday challenges and problems with the awareness, confidence and self-assurance needed to take action and achieve positive results.

This training course is suitable for a wide range of professionals but will greatly benefit:

- Supervisors and Team Leaders
- Current and Potential Strategic Leaders at All Levels
- Those Responsible for Developing and Leading Strategy

A black and white photograph of several chess pieces on a board, with a thin orange horizontal line across the middle. The pieces are in sharp focus, showing their textures and shapes.

Course content
