Course content

Why Attend

Why Attend HR advisors play a vital role in supporting managers, guiding employees, ensuring compliance, and delivering practical people solutions that improve business performance. To be effective, HR advisors must combine strong technical HR knowledge with communication, relationship management, and problem-solving skills. This course provides participants with practical tools to strengthen advisory capability across recruitment, performance, employee relations, policies, and stakeholder management.

Course Methodology This course uses an interactive and practical approach through presentations, case studies, role plays, group discussions, practical exercises, HR scenarios, and real workplace examples.

Course Objectives

- Understand the responsibilities of a high-performing HR advisor
- Build strong relationships with managers and employees
- Support recruitment, onboarding, and reward processes effectively
- Improve performance management and employee relations advice
- Conduct training needs analysis and policy reviews
- Manage internal and external stakeholders professionally
- Use HR data to add measurable business value
- Enhance confidence in day-to-day HR advisory practice

Target Audience

- HR Advisors
- HR Officers
- HR Generalists
- HR Business Support Staff
- HR Coordinators

Course content

Target Audience

- Supervisors with HR responsibilities
- Anyone developing a career in HR advisory roles
