Course content

Why Attend

Why Attend Effective leadership depends not only on technical knowledge and authority, but also on emotional intelligence. Leaders with strong emotional intelligence build trust, inspire teams, manage pressure, resolve conflicts, and create positive workplace cultures. This course provides participants with practical tools to strengthen self-awareness, self-management, social awareness, and relationship management for stronger leadership impact.

Course Methodology This course uses an interactive and practical approach through presentations, self-assessments, case studies, group discussions, role plays, leadership exercises, and real workplace examples.

Course Objectives

- Understand the relationship between leadership and emotional intelligence
- Develop self-awareness and emotional control
- Improve resilience and personal motivation
- Strengthen empathy and social awareness
- Build trust and credibility with teams
- Handle conflict constructively
- Improve communication and feedback skills
- Enhance overall leadership effectiveness
