Course content

Why Attend

Why Attend Senior executives operate in complex environments that require strategic vision, decisive leadership, strong governance, and the ability to inspire high performance across the organization. Modern leaders must manage growth, navigate uncertainty, lead transformation, and build resilient cultures. This programme equips senior executives with advanced leadership tools to strengthen influence, sharpen strategic thinking, and deliver sustainable results.

Course Methodology This programme uses an interactive and executive-level approach through presentations, case studies, peer discussions, leadership diagnostics, strategic simulations, coaching activities, and real-world business scenarios.

Course Objectives

- Strengthen executive leadership capability and presence
- Enhance strategic thinking and decision-making skills
- Lead organizational change and transformation successfully
- Build high-performing executive teams and cultures
- Improve governance, risk awareness, and accountability
- Strengthen stakeholder influence and communication
- Drive innovation and sustainable growth
- Develop a personal executive leadership roadmap

Target Audience

- Chief Executive Officers
- Managing Directors
- Vice Presidents
